- **Research Services**

- Who, What, How, Where
- Resources

- **Learning Services**

- Your students
- Learning and Teaching Development Services
- DELNA
- Your questions

Research Services Team

Te Tumu Herenga
Libraries & Learning Services

Who are we?

LLS - Research Services Team

- Team of 15 Research Service Advisers
- Each advisor is allocated a specific faculty as their primary portfolio
- Provide library research services, tools & support for postgraduate & doctoral students. These are **free services**

What do we do?

Help you get the best out of library resources

Photo by [Joshua Sortino](#) on [Unsplash](#)

We do this by...

Sharing time-saving tips and **collection knowledge**
when **searching for literature & other data**

Providing advice on the best ways to **manage large
volumes of information**

Explaining **how to build your research profile**

Guiding you through **publishing options**, including
copyright & open access

We help with

— — —

Finding information
Literature reviews
Getting started- Writing
Presenting your research
